Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Mr. Mendelsohn indicated that the unamended claims 63-65 were rejected using a new ground, so the final rejection is not proper. Examiner agreed with that. Therefore, the last office action has been vacated. Mr. Mendelsohn further argued that the limitation of claim 14 is not shown or suggested in any cited references. Mr. Mendelsohn proposed to put this limitation with the independent claim(s) to make the case allowable. Examiner would consider this when examines the application again.
